

## 1854 Conservation Code - Comment Form

We are in the process of revising the 1854 Ceded Territory Conservation Code. We are seeking band member input.

The purpose of the code is to:

- a. Provide an orderly system for control and regulation of hunting, fishing, trapping and gathering of resources for subsistence use.
- b. Provide a means to promote public health and safety and the conservation and management of fish, wildlife and plant populations.

If you have a suggestion or a particular concern, please write down the information below and the item will be taken into consideration. Please be as specific as possible and if you are suggesting a change, please list a proposed remedy.
